

PROFESSIONAL DEVELOPMENT CERTIFICATION

This is to certify that _____ participated in the following approved activities that qualify toward the 125 clock-hour requirement required for re-licensure.

A copy of this certificate should be presented to the individual designated by the superintendent who has the responsibility for entering clock hours for administrators. Retired administrators must ask the district where they currently live or the district they used to serve, to enter clock hours. Private school, international school and charter school licensed administrators must send their Official BOSA Certificates *in one scanned document* to Karen Schaub at Karen.Schaub@state.mn.us for review and approval of clock hours.

When applying for re-licensure, a candidate must *first* have their certificates entered by the district into the system before submitting their application.
