Technology - tips and tricks

Whether you're tech-savvy or tech-shy, many of us stick to what we know and repeat those actions over and over, opposed to venturing a little outside our comfort zone.

That's ok, of course, but should you want to learn a few new tips and tricks – we've got a half-dozen of ideas for you.

- [60 Ideas in 60 Minutes](#) - originally presented at the MCEA Conference, there are great tech ideas, tips, and links everyone can use.
- [Any.do](#) - Feel like you never stay on task to get things completely checked off your to do list, you might want to give Any.do a try.
- [Google Drive](#), it's a blessing and a curse (or maybe it's just me cursing when I can't find where I put a document). Learn some of the best tips on getting the most out of your Google Drive.
- [Google Search Tips](#) - Google is an amazing search engine, but sometimes it just doesn't find what you are looking for - give some of these tips a try to pinpoint your search.
- [15 tech tricks you'll wish you knew sooner](#)
- [The best keyboard shortcuts](#)
