

Early Childhood Educator (Pelican Rapids)

Lakes Country Service Cooperative, a leader in providing support on a regional basis and assisting in meeting the specific needs of school districts, cities, counties, and other government agencies, is seeking applicants to fill a part-time **Early Childhood Family Education (ECFE)/School Readiness Educator** position in the Pelican Rapids School District.

School Readiness Educators plan and facilitate developmentally appropriate curriculum and learning opportunities in a positive, nurturing environment for children ages 3 to 5, work with other program staff team members, maintain appropriate records and materials, and communicate with families and appropriate agencies in the community and school.

The successful candidate will also lead family classes as an Early Childhood Family Education (ECFE) Educator. Responsibilities include organizing the classroom, preparing developmentally appropriate lessons throughout the school year. Lessons will be developed to enhance small and large motor skills as well as literacy, math, science, and social skills.

Minnesota Licensure in Birth to Grade 3 or Pre-K Education preferred. Interested persons with licensure in a closely related field or a bachelor's degree are encouraged to apply.

Please apply online at www.lcsc.org under employment opportunities. Lakes Country Service Cooperative is an equal opportunity employer.
