

Early Childhood Family Education (ECFE) Coordinator/School Readiness Educator/ECFE Educator

Lakes Country Service Cooperative, a leader in providing support on a regional basis and assisting in meeting the specific needs of school districts, cities, counties, and other government agencies, is seeking applicants to fill a full-time Early Childhood position in Fergus Falls.

This position requires an energetic, creative person who will work collaboratively with community programs in the following roles: ECFE Coordinator (55%), School Readiness Educator (39%) and ECFE Educator (6%).

As the ECFE Coordinator, the successful candidate will provide leadership to plan and implement programming for the District's ECFE and School Readiness programs. Knowledge of parent and early education, planning and monitoring budgets and community resources required.

School Readiness and ECFE Educators plan and facilitate developmentally appropriate curriculum for children, maintain appropriate records, materials, and communications with families and appropriate agencies in the community and school.

The ideal candidate for this position must have excellent interpersonal and supervisory skills, be motivated, self-directed, flexible, able to work in both a team setting and independently with a wide variety of people. Organizational skills, along with excellent oral and written communication skills, required

Minnesota Licensure in Birth to Grade 3 or Pre-K Education is required.

Please apply online at www.lcsc.org under employment opportunities. Lakes Country Service Cooperative is an equal opportunity employer.
