

MNAFEE Marketing Toolkit Guide

Additional Resources

Video Tutorial from Canva: [How to Use Canva: A Beginner's Guide](#)

Photographs: When using photos, it is always best to use your own program photos. When that isn't possible, stock photos are an option. There are numerous free sites where you can download images. Here are a few to try.

What's next:

Ready-to-use resources (posters, social media posts, email banners) that you can download and use immediately with no need for customization.

We hope you are inspired by the templates and excited for what more is to come in the toolkit. Please feel free reach out with any questions or suggestions you have.

Thank you.
