

Parent Educator

Lakes Country Service Cooperative, a leader in providing support on a regional basis and assisting in meeting the specific needs of school districts, cities, counties, and other government agencies, is looking for qualified applicants to fill a part-time ECFE Parent Educator position in Breckenridge, Minnesota.

MN licensure in Parent and Family Education, or Family Education/Early Childhood (renewal only) is required. Interested persons with a degree in a related field and experience in working with families or home visiting are encouraged to apply. Applicants with a Parent Educator license will be given preference.

The ECFE Parent Educator will facilitate parenting classes for parents attending ECFE programs. Knowledge of parent, family and early education, child development, current research, and new initiative from the MN Dept of Education is essential. The Parent Educator will have good organization skills, excellent communication skills and understand adult learning styles. The parent educator will use a variety of teaching strategies to reach parents and be sensitive to their needs, interests, learning styles and cultural and socioeconomic background. The Parent Educator will know, or learn, about community resources and assist families with referrals. This position requires a person who has excellent interpersonal skills, uses good judgment, respects confidentiality and is open to working with parents from diverse economic and cultural backgrounds.

Please apply online at www.lcsc.org under employment opportunities. Lakes Country Service Cooperative is an equal opportunity employer.
